

## FREEDOM OF INFORMATION REQUEST

RF23-455

### Request:

How many midwifery red flag events did the Trust record in 2022?

### Response:

We can confirm East Kent Hospitals University NHS Foundation Trust (EKHUFT) holds the information you have requested.

The below data is obtained from the Birthrate+ website. Please note that the data is just for labour wards as Antenatal/Postnatal ward data is not currently available from Birthrate+

2022: 314 red flag events
