

FREEDOM OF INFORMATION REQUEST

RF23-702

Request:

Could you clarify if you still use SCM from Altera Digital Health as your document Management system? If yes, could you provide the expiry date?

Response:

We can confirm East Kent Hospitals University NHS Foundation Trust (EKHUFT) holds the information you have requested.

SCM is used for Electronic Patient Record (EPR) and not for a Document Management System. The current contract for SCM is until July 2028 however, there is options to extend.
